

Match Programme Sponsorship

Advertise your company in our 1st Team Match Programme which incorporates the club handbook. Our league and cup games are well attended by our club members, the opposition travelling supporters, and supporters from the local area

Whether you are a local company or a self-employed enterprise offering a trade or service for residential clients, or a UK wide based company offering commercial sector services, your advert in our Match Programme will help you to reach new clients.

Match programmes will be produced for all home 1st Team league and cup games. The league season offers us 11 home match games, with an additional 4 or more possible cup games through the season.

Each advert can incorporate your company logo, address and contact details, and your choice of advertising information.

Your company logo, the services you offer and a link to your company website will also be placed on the sponsors page of the Purley John Fisher RFC website, which will be seen by all visitors to our club site

The advertising spaces available are as follows

■ **Half page** **£150**

■ **Full Page** **£200**
